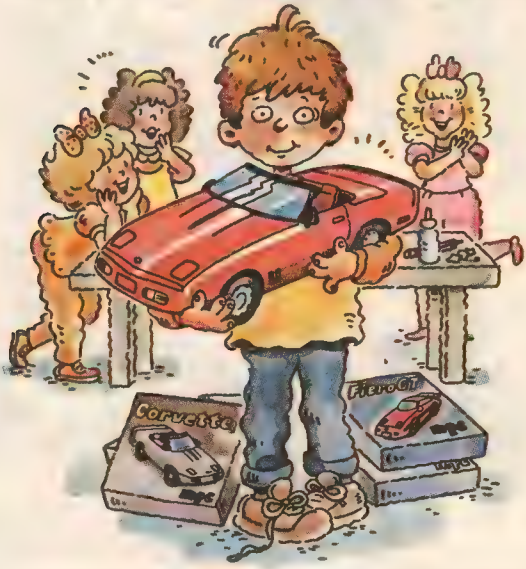
BODY BUILDER



Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no one out-muscles MPC. Details are MPC's strength. You see, at MPC special effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.

Just like the real thing. Only smaller.

Dear STAR,
Why does Fozzie tell so many jokes?
Stephanie Empson
Peoria, IL

Funny thing, about those jokes, eh?

Dear MUPPET BABIES,
I'm 11 years old and I enjoyed issue #20 ("The Adventures of Kermit Hood" and "Through the Picture Frame"). I have issues #3, 5, 6, 11-20. I Sher-Wood like to know how I can get the digest of issues #1 and #2.
Tell Piggy to forget Kermit and love Gonzo, because Kermit loves her like a sister, but Gonzo is wild about her. (Don't get mad, you're only a pig!)
I know why you never show Nanny's face, but do it just once—for me!
I have an idea for you, Babies! In your imaginations, meet the Transformers! Or, you could be Transformers!
Sean Hagins
Brooklyn, NY

Good idea, Sean! Buying back issues of STAR COMICS MAGAZINE is a good way to pick up past adventures of your favorite characters. And to answer more specifically—the first two MUPPET BABIES stories appeared in STAR COMICS MAGAZINE #1 and #4, respectively. To find them, talk to your comics dealer, or check out some of the mail order companies that specialize in back issues. Sorry to say, we are no longer publishing the digests, so you may want to do something about this soon!
And, Sean, remember your comment about Piggy? Here's her personal reply: "*Only* a pig, eh?? Hrummph!! I may be only a pig, but *your* manners are straight from the barnyard!"
(Hey, you asked for it!)

Dear Earthlings,
I love MUPPET BABIES comics! I liked numbers 18, 15, 16, 14, 11, and 19. (I am 319 years old.)
I get STAR Comics by beaming them up to my ship. Here is a sample of my language: ZZ?X-2#1-FFIim-xenwO! That means: Gonzo is my favorite Baby!
I have a suggestion. How about if the Babies travel to a strange, alien planet, like mine. (I mean ve-ry strange.) I read issue #13, "Out of This World." It was great!
Go bye-bye!
Ronad Dibloic
Planet Strangio
(Roman Digby)
Van Nuys, CA
EARTH

319 years old, huh? Guess that proves you're never too old for MUPPET BABIES!

By the way, the Babies would love to visit. But what's traveling time like? We have to know, because the Babies promised to be home for dinner.

Dear STAR,
I thought "The Great Dinosaur Party" (ish #17) was great!
I liked the cover, when Fozzie said, "Ouch! I'm feeling a little dino-sore!"
I'm one of your biggest fans. My favorite Muppet Baby is Kermit, because he's such a leader.
Sean McNalley
Pittsfield, IL

Dear STAR,
I loved "Color Crazy" (back in ish #12)!
I have an idea. Why don't you have a comic in which Piggy teaches school? If you decide to, I have a joke for Fozzie. . . What's Geometry? It's what the tree said when he looked in the mirror—"Gee, I'm a tree!"
Sean McNalley
Pittsfield, IL

Dear STAR,
I liked Kermit Hood #20. My favorite Muppet Baby is Fozzie. My little brother's favorite Babies are Kermit and Gonzo.
Sean McNalley
Pittsfield, IL

Hmm! This is a new one on us—three letters in one envelope?! Do you have multiple personalities? Or are you practicing multiplication in school? And how do you explain so many so-called "favorites"? Do you enjoy MUPPET BABIES so much that you need more then one favorite? Are you trying to say *all* the Babies are your favorites? Or are we just trying to sound like Perry Mason?
(By the way, if you're *really* one of our biggest fans, maybe you should cut down on desserts!)

Dear STAR,
I enjoy reading MUPPET BABIES comic books, but I also agree with Sandy Angotti, whose letter was published in the letter column in issue #16. I agree that you should make a series of MUPPET BABIES digests, or double-sized comic books. I hope you can do something about Sandy's and my advice! I also hope that LOTS of people write with the same advice!
THANKS!
Matt Nathanson
Reston, VA

Point taken, Matt! Anybody else care to comment?

To Gonzo and Piggy:
Do you know Jane? Well, I know you!
My big sister is writing this letter for me. I am six.
I love Gonzo the best. I have been dying to get a toy Gonzo and toy Piggy. I run around the room shouting, "I love Piggy!"
Jane Holdes
Tasmania, AUSTRALIA

That's very, or. . . *enthusiastic* of you, Jane! (No wonder your family is encouraging you to write letters! A bit easier on the ears, huh?)

Dear STAR,
My favorite Baby is Piggy. Why is Piggy in love with Kermit all the time? Why can't they get married one day, on Muppet Babies? Would you send me a picture of Piggy and Kermit? Why do they call Piggy, Miss Piggy. Soon she will be Mrs. Piggy. Why can't Piggy fall in love with Gonzo? Please write me back, okay? And answer my sweet lovely question.
Tomika Bennett
Doveeville, SC

But would it be Mrs. Piggy, Tomika? Wouldn't it be Mrs. *Kermit*? Or perhaps Mrs. *Gonzo*, depending on future events?

Dear STAR,
I love MUPPET BABIES! I love the one about the dinosaur party. That's why I'm writing on dinosaur paper.
I have suggestions: Nanny could get a cat and the Babies talk to it, and the cat imagines them to cat world.
I love Ghostbusters because I have lots of Ghostbusters toys. I wonder if the Babies could pretend to be Ghostbusters.
By the way, my favorite Babies are Gonzo, Fozzie, Rowlf, and Animal. But what is Animal?
Mike Shaughnessy
Lancaster, PA

Animal is *wild*, of course! (Hee-hee! How we love easy questions!)

Dear MUPPET BABIES,
I read issue #19 ("Nannies on the Loose"). I like the part when Camilla turned into a nanny. But why not make Camilla into a Muppet Baby?
Mom and I read issue #20 ("Through the Picture Frame"). How did Gonzo know he drew a polar bear?
Eric R. Meichor
Soledad, CA

That's easy, Eric. It's obvious. . . obvious, that is, if you're a *weirdo!*

SANTA PAWS?
